Mrs. Frain, the principal of the school
at Hana, Maui, in which she tells of
the overcrowded conditions which
exist there as well as on this island.
By taking one class from the receiving
room into her own room, accommoda-
tions have been made for more chil-
dren in the lower grades. Even with
this there are 62 pupils in the receiving
room, far more than one teacher can
handle in a satisfactory manner.

TRENT TRUST CO

EXCURSION OUTLOOK

PROMOTION COMMITTEE HAS
PROSPECT THAT SEVERAL
LARGE PARTIES WILL COME.

The following is Secretary Wood's
report this week to the Promotion
Committee:
Chairman and Members of the Hawaii
Promotion Committee.
Gentlemen:—The fourth edition of
our pamphlet "Hawaii, A Primer,"
which has been carefully revised, will
be off the press by the first of next
week, in time for the steamers to the
Coast and the Colonies leaving the
16th. This book is a model in its way
and will compare favorably with the
best publications issued by other or-
ganizations elsewhere. An effort has
been made to cover all likely inquir-
ies and the information given can be
thoroughly relied upon.

The matter for the Guide to the is-
land of Hawaii is now being compiled;
the Maps have been received from the
draughtsman and this folder should
be ready for the printer in about ten
days to be followed by the Guides to
Maui and Kauai as soon as possible
thereafter. With the completion of
this series of Maps and Guides, the
Promotion Committee will be splen-
dently equipped with reliable up-to-date
information, giving hotel rates, rates
for carriage and horse hire, in fact,
complete travel data covering every
part of the Territory.

We are now having our Relief Maps
repainted and varnished, the lettering
being made larger and plainer.

Mr. Howard Hitchcock's paintings of
the Waimea Canyon, Kauai, has
attracted a great many visitors during
the past week. Mr. Wix's water col-
ors of Kauai scenery have also been
much admired.

By the "Alameda" sailing yesterday,
we despatched one of the largest mails
we have sent out this year.

We have received a great deal of
help in our publicity work recently
from residents of the islands, who, on
trips to the mainland, have taken
along a supply of pamphlets to be
distributed among their friends and
to parties approaching them for in-
formation about Hawaii.

The Excursion outlook for the com-
ing winter would seem to be good. We
have taken up the matter actively by
correspondence and have reason to
hope for at least three large Excurs-
ions; from San Francisco, made up
of the residents of Central Califor-
nia; the third to sail from Seattle
which will draw from the entire North-
west. It will simply be a question of
suitable steamers. In the event of the
Excursions being pulled off, they will
all include Hilo and the Volcano of
Kilauea in their itinerary.

A new supply of folders relating to
New Zealand and Australia have just
been received. We also received a
letter from the Japanese Welcome So-
ciety by the last mail, stating that
they were forwarding us another lot
of their Guides to Japan. We have
been exchanging these courtesies with
the Colonies and Japan for some two
years now with good results for
wherever their folders are kept ours
may also be found.

Respectfully submitted,
H. P. WOOD,
Secretary.

THE CANDIDATES START THEIR TOUR

REPUBLICANS GOING ROUND THE
ISLAND TO SPEAK AT MANY
PLACES.

The Republican round-the-island
campaign began today, when a large
party of candidates and speakers start-
ed round the island, to open their polit-
ical work with a noon meeting at
Kaneohe. The tour will last until
Saturday, and will probably be follow-
ed by other tours later in the cam-
paign.

The candidates expected to be at
Waikane for a meeting at three o'clock
this afternoon. From Lale the expedi-
tion will proceed to Waiakala, possibly
having one or two small meetings on
the way. It is intended to have a big
meeting at Waiakala on Friday evening,
and one at Ewa Mill on Saturday even-
ing. Between these the candidates
may divide work in detachments, with
possibly gatherings to address, at Wai-
akane and Pearl City respectively.

Candidates Henriques, Quinn and
Watkins each furnished an auto and
the fourth one was found by the Coun-
ty Committee. Those going are Edgar
Henriques, John A. Hughes, E. W.
Quinn (Senate), John C. Lane (Mayor),
William Ahia, William Aylett, Andrew
E. Cox, William A. Kane, Daniel Log-
gan, James C. Quinn, Norman Watkins
(Board of Supervisors), John H. Wise
(Sheriff), D. Kalaaukalanani Jr., (Clerk),
and Harry M. von Holt (Treasurer),
also Rev. Stephen L. Desha of Hilo and
Bernard H. Kelokolo "the boy orator."

POLITICS AND ROAD WORKERS

SUPERVISORS HEAR CHARGES
THAT SOME REPUBLICANS LOST
THEIR JOBS.

At the meeting of the Board of
Supervisors last night a complaint by
Mr. Harvey, that laborers were being
discharged from the roads for their
politics, was promised by Chairman
Hustace to be brought to the attention
of the road supervisor. The chairman
denied knowledge of the fact quoting
a resolution of two years ago against
such a practice.

The Koolau-poko road grievance, the
discharge of a Chinese-American, was
deferred to next meeting at the re-
quest of the chair.

Mr. Archer, fortified with vouchers
as exhibits, complained that skilled
road workers in Koolau were kept on
the monthly salary list instead of be-
ing on the daily pay roll for just what
time they put in.

Overseer Peck and County Engineer
Gere explained the seeming anomaly
as being a necessity, owing to there
being no regularly employed mechan-
ics in the section to call on when
work was required.

Mr. Harvey then charged that the
Koolau engineer once incurred an ex-
pense of \$300 by ditching the road roll-
er while he was drunk. David Watson
his informant being present proved
to have only hearsay for authority, the
engineer himself Lopez, also pre-
sent positively denying the charge. The
matter was deferred until the coming
general road investigation.

Mr. Archer asked the board to keep
in mind the propriety of completing
the road between Pearl City and the
Peninsula. The Oahu Railroad had long
ago agreed to turn over a 22-foot strip
to the county when the county maca-
dized the thoroughfare.

The report of Treasurer for the
month of September gave total re-
ceipts as \$121,054.43, which included
the cash balance of \$84,173.08 on hand
September 1, and \$36,900 received from
the Territory. The disbursements
amounted to \$47,177.44, leaving a cash
balance on hand September 30 of \$73,-
876.99.

Clerk Kalaaukalanani reports in ac-
cordance with Section 67 Chapter 211,
of the Municipal Act, the sum of \$600
was deposited by twenty-four candi-
dates now running for offices in the
city and county. The money was turn-
ed over to Treasurer Trent.

Chairman Hustace stated that the
sum of \$2005.05 was paid during the
afternoon by the Honolulu Rapid
Transit Co., as its share in the expense
attached to the laying of the new
Queen street wood block pavement.
The cost was apportioned at the rate
of \$3.067 per foot for 653.75 feet. The
entire work was done by the county
road department.

OAHU ASSOCIATION.

The Oahu Association will meet to-
morrow morning, Friday, October 9, in
Kaunakapili Church at 10 a. m. In
addition to the usual routine business,
and reports from the churches, the
principal topics for discussion will be
as follows: Friday, 10:20 a. m. "Own-
ership of Church Property," by Rev. J.
P. Erdman. 2 p. m. "Arousing Temper-
ance Sentiment" by Rev. Dr. Scudder.
Saturday, 10:40 a. m. "Pushing Sunday
School Work," by Rev. H. P. Judd;
12:10 p. m. "Getting Closer Together,"
by Rev. F. S. Scudder; 4 p. m. "Rally-
ing Our People," by Rev. M. K. Nakul-
na.

LIGHTS ARE NEARLY READY

MAKAPUU STATION NEEDS ONLY
LENS TO WARN VESSELS OF
DANGER.

Just as soon as the lantern for the
new lighthouse at Makapuu Point ar-
rives, the light will be placed in work-
ing order. The contract for the lan-
tern was made last August by the light
house board, but it has not yet been
completed. The work is being rushed,
however, and it is expected that it will
arrive here before long. The lens is
here and the buildings are ready, so
that with the lantern's arrival there
will be no delay.

All the material for the Molokai
Light, which will be located at the Le-
per Settlement has been obtained and
shipped to its destination from this
city. The work in building the con-
crete base has been started and the
light should be ready for use about the
end of next month.

The building of the tower for the
front range light in Honolulu harbor is
also going along very well, the con-
crete work occupying the attention of
the builders at present. The lens has
not arrived as yet, but if it comes when
expected the new light should be burn-
ing by December 1.

SUDDEN DEATH

Joe Kala, part-Hawaiian, between
forty and fifty years of age, was found
dead this morning in a cottage in the
rear of the Yashihira Hotel, Beretania
street, near St. Louis College. An
autopsy revealed heart disease. Kala
used to work for Blacksmith Mac-
donald.
